Re: Certificate of Compliance (Playboy TV and Playboy TV en Español) – Children’s Television, Closed Captioning, Video Description, and CALM Act

Dear Sir/Madam:

Reference is made to that certain Amended and Restated Affiliation and License Agreement for DTH Satellite Exhibition of Programming effective as of July 1, 2013, as amended (collectively, the “Agreement”), between MG Media S.À.R.L. (“MG”), PBTv, LLC (“Playboy” and, together with MG “Programmer”), and DIRECTV, LLC (“Affiliate”). Capitalized terms used and not defined in this letter will have the meanings ascribed to them in the Agreement.

The parties signed the Bifurcation Agreement effective October 26, 2020, where Playboy expressly agreed to be bound by the terms of the Agreement as they relate to all Playboy-branded Services defined collectively as the Playboy Services.

With respect to the calendar year 2022, Playboy hereby certifies its compliance with (i) the requirements of the Children’s Television Act of 1990, (ii) the closed captioning and video description requirements set forth in Section 1.3.6 of the Agreement, and (iii) the requirements of the Commercial Advertisement Loudness Mitigation (CALM) Act.

Further to the foregoing closed captioning certification, with respect to Playboy’s “Playboy TV” service, Playboy hereby certifies that in the ordinary course of business, Playboy has adopted and follows the Best Practices for video programmers with respect to captioning quality as set forth in 47 C.F.R. § 79.1(k)(1). With respect to Playboy’s “Playboy TV en Español” service, Playboy hereby certifies that Playboy is exempt from the closed captioning rules under the following exemption set forth in 47 C.F.R. § 79.1(d)(12):

“(12) Channels/Streams producing revenues of under \$3,000,000. No video programming provider shall be required to expend any money to caption any channel or stream of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year other than the obligation to pass through video programming closed captioned when received pursuant to paragraph (c) of this section. For the purposes of this paragraph, each programming stream on a multicast digital television channel shall be considered separately for purposes of the \$3,000,000 revenue limit.”

Sincerely,

Lance Barton
