Re: 2023 Annual Certification of Compliance with Children’s Television Act & Closed-Captioned Programming

Dear Ms. Molina:

You have recently requested information from us to assist you in your record keeping obligations respecting (i) the commercial limitations imposed on children’s programming by the Children’s Television Act and (ii) the closed captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations. We hereby advise you that for the periods January 1, 2023 through December 31, 2023, (i) none of MSG or MSG Sportsnet (f/k/a MSG Plus) programming was originally produced and broadcast primarily for an audience of children 12 years old and under, and therefore the FCC limits on commercial time as contained in 47 C.F.R. Section 76.225 do not apply to any of MSG or MSG Sportsnet (f/k/a MSG Plus) programming for such periods and (ii) MSG and MSG Sportsnet (f/k/a MSG Plus) program services included a sufficient number of hours of closed-captioned programming to satisfy the applicable requirements specified in such closed captioning regulations.

We trust that this satisfies your request.

Sincerely,
