

**CARTOON NETWORK
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING**

I, Toni Millner, in my capacity as Senior Vice President – Legal & Business Affairs and Kid Vid Compliance, hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from July 1, 2022, to September 30, 2022:

- 1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children's programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Cartoon Network treated all of the programs telecast on Cartoon Network as "children's programming" for the purposes of the commercial limits set forth in the Act except for (1) the *Adult Swim* block of programming created for an adult audience that airs late night seven days a week, and (2) the *ACME Night* block of family content shown on Sunday evenings this quarter.**
- 3) Cartoon Network has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) To the best of my information, knowledge and belief, there were no instances in which the commercial limits were exceeded during the period noted above.

Certified by me this 4th day of October, 2022.

Toni Millner
Senior Vice President

* "Children's programming" for the purposes of the commercial limit means television programs "originally produced and broadcast primarily for an audience of children 12 years and under."

**During this period, the *Adult Swim* block usually aired from 8 pm to 6 am ET; beginning on September 26, 2022, the *Adult Swim* block aired from 9 pm to 6 am ET. The *Adult Swim* block contains warnings to notify and remind viewers that the content is intended for an adult audience. It is not considered "children's programming" subject to the commercial limits set forth in the Act. Similarly, the *ACME Night* franchise, which airs each Sunday evening beginning at approximately 6 p.m. (ET) and leading into *Adult Swim*, contains general audience theatrical movies and other shows created for family viewing.
