

January 5, 2023

To Whom It May Concern:

This correspondence is in response to your letter of December 19, 2022 regarding compliance with various Federal Communications Commission (“FCC”) requirements for EPIX 1; EPIX 2; EPIX Drive-in; and EPIX Hits (collectively “EPIX” or the “EPIX Networks”). We take each of these items in turn:

- Children's Television Act of 1990. EPIX's children's programming has not and will not contain any "commercial matter" as set forth by the Children's Television Act of 1990 and the FCC's implementing rules.
- Closed Captioning Regulations. EPIX complies with the FCC’s closed captioning rules since all programming shown on EPIX or provided to third-party companies for their distribution that is required to have closed captions, is shown on EPIX or provided to such third parties with the required captions, and consistent with the Commission’s standards.
- Video Description Rules. EPIX is not one of the broadcast stations or nonbroadcast stations subject to the FCC’s video description requirements, and thus such requirements are inapplicable to EPIX.
- Commercial Advertisement Loudness Mitigation Act (“CALM Act”). The EPIX Networks are completely commercial-free. Thus, the CALM Act is inapplicable to EPIX.
- Twenty-first Century Communications and Video Accessibility Act of 2010 (“CVAA”). To the extent applicable, EPIX is in compliance with the CVAA.

Please do not hesitate to reach out should you have any questions with respect to any of these certifications.

Sincerely,

By:                     *Laura Sher*
