Compliance Certifications

Date: January 4, 2023

Period covered: 2022 4th Quarter

Dear Angela:

I am writing to submit certifications of compliance on behalf of Public Communicators, Inc. (dba Free Speech TV), for the fourth quarter of 2022.

Children's Television Act of 1990: Because Free Speech TV operates as a non-commercial public interest channel, the commercial limits in children's programs are not applicable to our network. As such, the quarterly compliance certification requirement was struck from and does not appear in our Affiliation Agreement with DIRECTV, executed on April 6th, 2010.

Closed Captioning requirements set out under 47 C.F.R. 79.1 and the Video Act: In the fourth quarter of 2022, the programming that Free Speech TV provided to DIRECTV was captioned to the extent required by the Federal Communications Commission's closed captioning rules. Under the criteria identified in 47 C.F.R. Section 79.1(d)(12), Free Speech TV is exempt from closed captioning obligations because this channel of video programming produced annual gross revenues of less than \$3,000,000 during the previous calendar year. Free Speech TV remains compliant with the Twenty-First Century Communications and Video Accessibility Act of 2010 (CVAA) effective as of July 1, 2012.

Report and Order of the Federal Communications Commission #98-307: In the fourth quarter of 2022, Free Speech TV remained in compliance with all relevant provisions set forth in the Report and Order of the Federal Communications Commission #98-307.

Public Communicators, Inc. is not aware of any facts, circumstances or omissions that, individually or in the aggregate, would be reasonably likely to cause DIRECTV to not be in compliance with the aforementioned laws.

These certifications are provided per Section 1.7 of Affiliation Agreement executed by DIRECTV and Public Communicators, Inc. on April 6th, 2010. Please let me know if you need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Jon Stout", with a long horizontal flourish extending to the right.
