**Compliance Certifications**

**Date:** July 5, 2023

**Period covered:** 2023 2<sup>nd</sup> Quarter

Dear Angela:

I am writing to submit certifications of compliance on behalf of Public Communicators, Inc. (dba Free Speech TV), for the second quarter of 2023.

**Children's Television Act of 1990:** Because Free Speech TV operates as a non-commercial public interest channel, the commercial limits in children's programs are not applicable to our network. As such, the quarterly compliance certification requirement was struck from and does not appear in our Affiliation Agreement with DIRECTV, executed on April 6<sup>th</sup>, 2010.

**Closed Captioning requirements set out under 47 C.F.R. 79.1 and the Video Act:** In the second quarter of 2023, the programming that Free Speech TV provided to DIRECTV was captioned to the extent required by the Federal Communications Commission's closed captioning rules. Under the criteria identified in 47 C.F.R. Section 79.1(d)(12), Free Speech TV is exempt from closed captioning obligations because this channel of video programming produced annual gross revenues of less than \$3,000,000 during the previous calendar year. Free Speech TV remains compliant with the Twenty-First Century Communications and Video Accessibility Act of 2010 (CVAA) effective as of July 1, 2012.

**Report and Order of the Federal Communications Commission #98-307:** In the second quarter of 2023, Free Speech TV remained in compliance with all relevant provisions set forth in the Report and Order of the Federal Communications Commission #98-307.
