Got Guts? Donate Blood!

Donors will receive a limited-edition, glow-in-the-dark T-shirt and one free entry to the OKC Zoo

Spooky season is coming! Don't be a scaredy cat. Save a life this fall by giving blood with Our Blood Institute.

Join Tahlequah High School for a blood drive with Our Blood Institute on September 27th from 8:30am to 3:00pm in the Performing Arts Center Lobby.

OBI provides all blood products to Northeastern Health System and WW Hastings Hospital!

Starting September 1st, eligible blood donors will receive a limited-edition, **glow-in-the-dark "Got Guts?" T-shirt** and one free entry to the OKC Zoo.

"Vein Drain is all about having fun with all things Halloween, but the reality is, every two seconds someone needs blood to see tomorrow," said Dr. John Armitage, president, and CEO of Our Blood Institute. "By giving just an hour of your time, you can save the lives of up to three patients in immediate need or going through treatment at our local hospitals."

Anyone who is healthy and 16 years old* or older can give blood. Blood can be donated every 56 days and platelets can be given as often as every seven days, up to 24 times a year.

Appointments to donate can be made online at obi.org or by calling 877-340-8777.
