| Frente a Frente in Spanish | 8/18/2019 | Sunday | 6am | 0:29:50 | El Paso Shooting | Episode topic is on shootings in the US particularly in El Paso, Texas and Dayton, Ohio. Host asks guests on whether POTUS' rhetoric of hate, racism, and lack of political laws have affected mass shootings. Additionally, how the El Paso shooting was a direct attack on the Latin American community. Guest Alvarado provides his analysis on lack of mental health care, Trump's suggestive hate for people of color and how this effects Caucasian violence against Mexicans. Guest Sanabria adds 3 factors, easy access to high ammunition guns, inaction of legislative laws from Congress and the easy facilitation, lack of strong background checks for guns. Also discussed is the increase in raids, recently several factories in Mississippi where 600 immigrants were detained. Guests believe these raids to be a political raid from President Trump as a means to placate what he has promised his base. | Gun Control, Immigration, Legislation, Latin Community | News Program | Guillermo Ahumada | Luis Alvarado, Salvador Sanabria | Gahumada@lbimedia.com |
