Frente a Frente - Spanish	1/26/2020	Sunday	6am	0:29:50	Business	Episode discusses the economy, business and finances. The segment begins by discussing affordable housing and housing laws. In California there is a rise in rent and people of low income cannot afford to pay rent. Landlords also contribute to this problem by not complying with affordable housing laws. Guests discuss the highs and lows of starting a business, most emphasized is to follow ones passion as it will be the mental motivational drive to pursue their business. Guest John suggests they seek support from family and loved ones as it will provide some confirmation that their business may have validity to continue to pursue. Guest also informs viewers on obtaining ITIN's, SBA, and various resources to establishing their business. Eastern Sierra News - English	2/1/2020	Saturday	6:00am	0:29:50	News from 1/29/20	Bishop airport scoping session, experts preparing for environmental review of airport. Concerns of hurting tourism. The California Department of Fish and Wildlife (CDFW) has proposed an inland trout angling regulation simplification: year round fishing with a five fish limit, and no restriction on method of take. CDFW also settling tribe dispute of deer hunting. Allowing 16 deer a year for tribal community and education.	Tourism, CDFW politics and Tribal rights	News Program	Bill Syder		1280 N. Main St. Suite J · Bishop, CA 93514 · 760-873-5329
Frente a Frente - Spanish	2/2/2020	Sunday	6am	0:29:50	Trump Nightmares	Episode discusses what is currently occurring in the US, the border and Central America. Opening segment goes over impeachment proceedings, both guests give analysis to potential outcomes. Guest Luis Alvarado, notes impeachment proceedings as a null point being that republican led Congress will not impeach Donald Trump. However, he points out that proceedings are a good way to determine what side a senator is on and thus a voter can determine if one would like to vote them out of office. Also discussed are the Handuran migrants heading into Mexico to board caravans into the U.S. but were withheld by authorities in Mexico and subsequently deported back to their country.	Impeachment, Congress, Immigration	News Program	Guillermo Ahumada	Luis Alvarado, Salvador Sanabria	Gahumada@lbimedia.com
Eastern Sierra News - English	2/8/2020	Saturday	6:00am	0:29:50	News from 1/29/20 - repeat	Bishop airport scoping session, experts preparing for environmental review of airport. Concerns of hurting tourism. The California Department of Fish and Wildlife (CDFW) has proposed an inland trout angling regulation simplification: year round fishing with a five fish limit, and no restriction on method of take. Frente a Frente - Spanish	2/9/2020	Sunday	6am	0:29:50	Taxes	The episode discusses tax season and tax preparations. Guest Edgar Palacios answers questions regarding filing and tax preparations. Host raises the question of situational cases where people have children outside of the US or another country and question if one is allowed to claim that child as a dependent when filing their taxes. The response being that one can claim their child as a dependent if they are providing more than \$300 dollars to said child and if they reside in Mexico, Canada or Puerto Rico only. Finally Edgar Palacios stresses that calls stating they are from Internal revenue, social security, etc. seeking payments for unpaid taxes is false and illegal. Personal information such as banking accounts, home addresses and tax information should never be provided via phone call and is a sure way to determine that the call is not from a legitimate IRS personnel.	IRS, Taxes, Economy	News Program	Guillermo Ahumada	Edgar N. Palacios,	Gahumada@lbimedia.com
