4Q 2019

Frente a Frente - Spanish	10/20/2019	Sunday	6am	0:29:50	Alcance Victoria Ontario	The episode discusses rehabilitation from substance abuse highlighting a center located in Ontario, California named "Alcance Victoria Ontario" which helped guest Jorge Bautista. Jorge describes his history with substance abuse and his ultimate decision to seek help and resolve deep seated issues in his childhood which caused self medicating with drugs. Currently his journey has improved with the strength from God and a positive support system provided by the rehabilitation center. So much so that he is now a mentor to recovering addicts. Additional guest Jose Ramos describes a similar situation where in his early teens began to abuse drugs and generally wandered the streets of his neighborhood doing graffiti and congregating with friends. Additional two guests describe their road to recovery with the assistance of Jorge Bautista and the rehabilitation center. Ultimately the message of the episode is to destigmatize drug addiction, to provide support and most importantly seek help.	Addiction, Mental Health, Prescription drugs, Rehabilitation	News Program	Guillermo Ahumada	Jorge Bautista, Jose Ramos, Cristian Flamenco, Ernesto Velasquez	Gahumada@lbimedia.com

4Q 2019

Frente a Frente - Spanish	12/15/2019	Sunday	6am	0:29:50	Diabetes	The episode topic is on diabetes and related health issues. Guest Ibanez stresses to seek medical assistance to verify if you have diabetes and suggests to get checked 3 times a year. Also people that have a genetic predisposition to diabetes should get checked as a preventative measure. Nutritionist Estrada focuses on diabetes in children and what diet is best for an individual as not all diabetics have similar symptoms. Panelists inform viewers on nutrition, cutting back on eating fruit and introducing greens in ones diet. Pregnant women are also prone to diabetes because of the rise in hormones resulting in diabetes transmitted to their child. Panelists suggest if one wants to add bicarbonates into their diet, check if they are safe for human consumption adding only a tablespoon per liter of water. 4Q 2019

Frente a Frente - Spanish	12/29/2019	Sunday	6am	0:29:50	Singers	Guest panelists are two artistic singers of folk ballads known as 'corridos' which are a form of narrative song or verse, and are largely popular in Mexico and the Southwestern US. Guests discuss evolving the corrido style and creating narratives that pertain to love through the lens of a woman's perspective. Guests also elaborate on their individual journey to discovering and refining their skills as singers. Also discussed is Reggaeton which is a mixture of hip hop, dancehall and Caribbean music. Panelists provide their opinion on their distaste of Reggaeton because it lacks substance, variety, degradation of women and portrays a negative lifestyle involving sex and drugs. Ultimately the theme of the episode is discovering and crafting your talent and to pursue ones dream.	Culture, Entertainment, Music Industry, Entrepreneurship	News Program	Guillermo Ahumada	Nancy Rey, Angelica Ramirez	Gahumada@lbimedia.com
