

## **FCC FOURTH QUARTER – COMMUNITY SERVICE STATEMENT**

WJPA 95.3 / 1450 AM

October – December 2017

2,000 Turkeys exceeds goal.

Once again this year WJPA and The Observer-Reporter ; (the local paper) raised money For the Washington Food Bank. This is to feed the many families in Washington County Thanksgiving Dinner.

This year, the need was greater than ever. The amount needed was 100,000. Through the donations of listeners and readers and several promotions with local companies, we exceeded that amount.

The final total was 125,000. This allowed the food bank to obtain extra funds for Christmas dinner.

Two thousand Turkey's is a program design to help the underemployed in Washington County have enough food for Thanksgiving
