Daniel Patrick Moynihan was the quintessential American poet-politician. He alone infused public policy with a language, literature, and lyricism that no American public figure in the latter half of the twentieth century could match. The film takes a personal look at a public man who was not only an intellectual but also an aesthete who was deeply committed to making an inimitable impact on the world. With unprecedented access to the Moynihan archives made available by his family, the film will capture and define a character whose life embodied a quintessential American story. The range of Moynihan's interests was extraordinary: architecture, urban planning,

public works, transportation safety, international diplomacy, government secrecy and above all, an unyielding commitment to creating systemic change for the American underclass. Directed by Joe Dorman.

The Supreme Court heard arguments in a major environmental case over a rule that requires states to stop their air pollution from drifting over to neighboring states. Three states, led by Ohio, are claiming the rule is too costly and they're asking the court to block the so-called "good neighbor" policy. William Branham discussed the case with Coral Davenport of The New York Times.
