<b>Synopsis:</b>	Stonestreet spoke on the spiritual cost of isolation from Creation. it IS important to spend time outdoors - close to creation. Children who are rarely outside show poorer school performance, less creativity, higher levels of obesity, few friends and increased rates of depression and hyperactivity. This modern isolation can be spiritually dangerous too, as he reported from studies that demonstrate how time in nature reshapes our brains. And it's easier to understand Scripture when we spend time in creation.
