Vermilion County photos wanted

If a picture is worth a thousand words, then a book coming out about all, or nearly all the towns in Vermilion County should be priceless. With a little help from generous townspeople, the book surely will be. Local resident Carol Hicks is looking for old photographs of towns that might be used in Images of America Vermilion County, Illinois, a pictorial history to be published by Arcadia Publishing in its Images of America series. The importance of family collections cannot be overemphasized. Vintage photographs become increasingly fragile and by scanning and reproducing them in a book, they become available for all to see. Anyone having photographs to be considered for Images of America Vermilion County, IL may contact Carol Hicks at hckshicks@aol.com or 217-304-7590 or send copies of photos to Carol Hicks, 326 W. Orange St, Hoopeston, IL 60942.
