Example PSA: *“This is Clint Perzee of the Iroquois County Sheriff’s Department. As an officer, I see and hear the stress individuals and families are feeling while trying to stay safe. Developing a new hobby is a great way to fill voids left by missed school and sporting events. Card and board games are another fun way your family can be entertained on quiet nights. You are an important part of this community; and together, we can lift each other up and keep Iroquois County safe. This message is brought to you by the Juvenile Justice Council of Iroquois County and Iroquois County Opioid Coalition.”*
