Rules of the Road Review Course at Watseka Public Library

The Secretary of State Driver's Services Dept. notified the Watseka Public Library that the date for the Rules of the Road review course being offered at the Watseka Public Library has been changed from the original date of Wednesday, Nov. 7 to Thursday, Nov. 8, from 10:00 a.m. to noon. The course is designed to give drivers - especially senior citizens and those with disabilities - the information and the confidence they need to renew or obtain an Illinois driver's license. The two hour course, taught by an experienced instructor, explains the driver's exam and provides a written exam for participants to practice. There is no charge for this class. There is still time to register by calling the Library at 815-432-4544.
