This one is not very upbeat, and while we've already covered the passing of Christine McVie of Fleetwood Mac, I had this saved to share for a while and never got to it with the Christmas music we'd been doing. This is a great cover, under her maiden name Christine Perfect, by a 60's British blues band. Original by Etta James, and many versions over the years have been done, but this one really showcases her voice as a lead vocal, I love it and hope it strikes a chord with your listener
