6:15 SONG 1 : Wisconsin.... The Night they Drove Old Dixie... The Band...

<https://youtu.be/lz2sAtarXEQ>

Thanksgiving was the setting of an all time great rock and roll documentary called "The Last Waltz" - about a band just called "the Band", they had a great legacy in innovating what we know today as Americana, kind of that amalgamation of country, rock and folk music. Very influential. To mark the end of their time together, they collected some rock royalty and threw a huge party, on thanksgiving day. Called in Martin Scorsese to direct. Instant classic. The songs from the movie are mostly too long for the show but I found one in the three minute range that showcases their harmonizing and general powerful vocals. I love The Band, for all their ups and downs, so this is a good week to celebrate them
