6:57 SONG 4 Wisconsin... R.E.M. Fall on Me

<https://youtu.be/fF0ao14nEKU>

I thought about a selection this week and decided to go with something that checks a lot of boxes, either things I like or had been neglecting:

- song from the 80's
- pop-rock genre
- most importantly for pride month, a gay singer/songwriter

I always wanted to work in an R.E.M. song so here's my chance! This song, allegedly, I don't know this to be true, was originally about environmentalism/acid rain, and evolved to become something about oppression at large, so quite apropos

7:00 SONG: 4A WOW PROGRAM THEME SONG Pete : let's start to play this at 7am as well as 6am...

<https://youtu.be/CnFOdpcZJsg>

As childhood friends growing up in Denver, Colorado, Joe Mailander and Justin Lansing were always exploring the outdoors. Whether it was rafting down their neighborhood creek or discovering hiking trails through the Rocky Mountains, Joe and Justin were born adventurers. Now, as the GRAMMY® Award-winning Okee Dokee Brothers, they have put this passion for the outdoors at the heart of their Americana Folk music.

Joe and Justin record and perform family music with a goal to inspire children and their parents to step outside and get creative.

They believe this can motivate kids to gain a greater respect for the natural world, their communities, and themselves.

The five-time Parents' Choice Award winners have garnered praise from the likes of NPR's All Things Considered and USA Today, and have been called "two of family music's best songwriters."
