DISCUSSION 1:

- 1. Welcome back to a new school year! After dealing with the disruption of Covid for the past two years, this must seem almost normal with the planning and preparation of greeting teachers, staff and students. What is the situation with Covid? Are there any special conditions in the classroom?**
- 2. When is the first day of school? What can students expect when they walk into their classrooms?**
- 3. What is the trend with the number of students in the district? Rising, dropping, remaining steady?**
- 4. Are you fully staffed with teachers, aides, administrators? The vacancy posting looks large. Is that normal? How difficult is it to find staff? What has impacted the staffing shortage? (4 day week)**
- 5. How many new principals are there?**
- 6. Is there a need for substitutes? What is required? What does it pay?**
- 7. Is the Chromebook program still in place and do all students receive one?**
- 8. How are you and your staff reacting to the serious issue of school security and school shootings nationwide? What training/drills/procedures are in place to identify warning signs? Coordination with police? What changes if any have taken place as a result of issues in other school districts?**
- 9. What are the plans for the free meal program for students? Lunch? Breakfast?**

8:30AM SONG 2: WELCOME BACK KOTTER 2:54 <https://youtu.be/xZzEzDkeHzI> DISCUSSION 2:

- 10. Please explain what the change in the MCAS test scores means for students and the EPP (Educational Proficiency Plan for students unable to achieve a passing MCAS score).**
- 11. How are things progressing with the planned renovations and proposed construction of the Franklin Avenue Elementary School? Are there any other schools scheduled for renovations?**
- 12. Are there any projected changes with the Technical Academy curriculum?**
- 13. Remaining thoughts, comments, words of encouragement for students, teachers, staff, parents with the start of the school year.**
- 14. Closing remarks by Harry Rock**
- 15. I want to thank Superintendent Stefan Czaporowski for being on the show! Thanks to WCPC-15 show Producer Pete Cowles for making this all happen!**

Thanks everyone for sharing your time to watch another "Rock on Westfield" show on WCPC Westfield Cable Channel 15. Until the next time, I'm Harry Rock!
