## COMMUNITY

1. **WTKR NewsChannel 3 at 5PM January 12, 2016 Length 2:20** knitting with a purpose - helping cancer patients and many others in their time of need. NewsChannel three's Kurt Williams shows us how the leader of a church knitting group in Virginia Beach -is taking action - one stitch at a time.
2. **WTKR NewsChannel 3 at 530am January 13, 2016 Length 2:20** knitting with a purpose - helping cancer patients and many others in their time of need. NewsChannel three's Kurt Williams shows us how the leader of a church knitting group in Virginia Beach -is taking action - one stitch at a time.
3. **WTKR NewsChannel 3 at 530pm January 19, 2016 Length 2:25** he's a dad, husband, works full-time at the Norfolk naval shipyard and finds time to coach on multiple teams. NewsChannel 3's Kurt Williams headed to Suffolk to surprise this coach at one of his practices.
4. **WTKR NewsChannel 3 at 530pm February 2, 2016 Length 2:42** we shine our spotlight on a local nurse, who after caring for her patients---doesn't stop there. NewsChannel 3's Kurt Williams showed up at her office to surprise her in front of her co-workers!
5. **WTKR NewsChannel 3 at 530pm February 16, 2016 length 2:22** we're shining our spotlight on a local woman who is a dedicated volunteer at her church's food pantry in Norfolk. NewsChannel 3's Kurt Williams got some help in pulling off the surprise visit.
6. **WTKR NewsChannel 3 at 4PM February 9, 2016 Length :35** a day, designed to help those who can't afford to do it for themselves. A salon in Michigan offered a full day of relaxation and beauty services to the homeless in their community. Buses transported the men and women to the salon and they could choose from a fresh cut, an eyebrow wax or even a pedicure. The hair dressers who set up the event say there is a lot more to a new haircut than just looking good.
7. **WTKR NewsChannel 3 at 5PM March 1, 2016 Length 1:52** we shine our spotlight on a Virginia Beach middle school teacher who is motivating her students to make a difference here at home and around the globe. Here's NewsChannel 3's Kurt Williams.
8. **WTKR NewsChannel 3 at 11pm March 21, 2016 Length 1:47** this week marks one month since the deadly Waverly tornado. While the community is working to clean up -- some neighbors are coming together and taking action for a veteran who nearly lost his life in the storm. Allison mechanic has the story you'll see only on NewsChannel three.
9. **WTKR NewsChannel 3 at 5pm March 24, 2016 Length :25** taking action in the community can be as simple as preparing a meal for some who may not be able to do it for themselves. Folks in Chesapeake are working together to make this happened for senior citizens in their city. They held a "community champions" event to help raise awareness about senior isolation and hunger in Hampton roads. The event is a part of the nationwide celebration called "March for meals".

## CONSUMER ADVOCACY

1. **WTKR NewsChannel 3 at 630 am January 21, 2016 Length :30** Did you buy a hoverboard on amazon?--well the company is now giving people refunds. The move comes amid growing concerns that the two-wheeled balance boards are a safety and fire hazard. The consumer product safety commission is investigating more than three dozen instances of hoverboards smoking or bursting into flames. Experts are also urging users to wear safety gear while riding on one.
2. **WTKR NewsChannel 3 at 530pm January 18, 2016 Length 1:35** the average woman paints her nails once a week - that means women could be exposing themselves to several chemicals each time they polish. Now new research shows - a chemical found in nail polish is not only getting on a woman's nails - but it's also getting inside her body. Julie Watts has more.

3. **WTKR NewsChannel 3 at 5pm January 15, 2016 Length 1:30** Have you ever wished you could be more artistic but don't have the time? Weijia Jiang introduces us to a Virginia artist who had the same dilemma - so he invented a robot.
4. **WTKR NewsChannel 3 at 4pm January 12, 2016 Length 1:30** we've all got smartphones, but is now the time to buy the gadget-lover in your life a smart watch? Consumer reports just finished testing the latest watches to help make your shopping a little easier. NewsChannel 3 Laila Muhammad has the details.
5. **WTKR NewsChannel 3 at 4pm February 22, 2016 Duration: 1:45** If you're selling your home, keep millennials in mind. They're 75 million strong and house hunting. Consumer Reports says the right renovations can boost your homes' value by 35 percent! So spend your makeover money where it will count the most.
6. **WTKR NewsChannel 3 at 5pm February 22, 2016 Duration: 1:45** this holiday season's hot toy is being linked to dozens of fires in 24 states since December... Resulting in millions of dollars in property damage. This home in Nashville was destroyed by fire last month. And this family's Christmas celebration was ruined. The fires appear to stem from excess heat... Generated by the boards' lithium batteries.
7. **WTKR NewsChannel 3 at 4pm February 23, 2016 Duration: 1:30** Two more consumer reports top picks round out the list. The Honda fit for best subcompact and the Lexus r-x for luxury SUV. The vehicles represent the best of the best consumer reports has recently tested in ten different categories.
8. **WTKR NewsChannel 3 at 5pm February 23, 2016 Duration: 01:45** These moms and dads are learning computer reading skills at Parent University. School districts across the country offer the classes for free. Teachers say they're very popular. This one on long island had more than 60 parents eager to participate. This school started the classes to help parents learn more about the common core curriculum, which sets national standards for English and math.
9. **WTKR NewsChannel 3 at 5pm March 30, 2016 Duration: 02:00** The Insurance Institute for Highway Safety is shining a light on poorly performing headlights. And only one vehicle earned the top rating. Side-by-side video shows the difference between the top performing Toyota Prius V with its optional l-e-d headlights on the left...and the BMW 3 series with halogen head lights.
10. **WTKR NewsChannel 3 at 4pm March 25, 2016 Duration: 00:20** The New York telecommunications giant says it has recently discovered and fixed a security breach in a client portal. Verizon says it is notifying customers but says no data about consumer customers was involved in the breach. Verizon has not said how many customers are affected.
11. **WTKR NewsChannel 3 at 5pm March 21, 2016 Duration: 01:45** Gary Titus leased a 2014 jeep grand Cherokee...a vehicle built with a new kind of electronic transmission that changed the 'feel' of shifting gears...maybe too much. The new shifter is a monostable electronic gearshift or e-shift. It lacks the typical grooves and sensation of moving the car into park, drive or reverse.
12. **WTKR NewsChannel 3 at 5pm March 18, 2016 Duration: 01:45** This may look like every other atm.... But with this one customers can use their phone, and leave their debit card at home. Bank of America's Michelle Moore says the ATMs are equipped with a NFC reader that senses an ATM card stored in your smartphone. Other banks including chase and Wells Fargo plan to introduce cardless ATMs this year.

## CRIME/DRUGS

1. **WTKR NewsChannel 3 at Noon January 4, 2016, Length :40** this morning's shooting death in Newport News is already the second this year. Police are working to solve a shooting that left an

18-year-old dead. It happened early Sunday morning at the Turnberry Wells townhomes complex. According to police - a dark car drove past the home where a party was going on around two in the morning. They say the person or people in the car fired multiple shots towards the home. 18-year-old Jalon Wright who was in the backyard at the time was shot. He was taken to the hospital where he later died from his injuries. Police say they do not have any suspect information -- and do not know if Wright was the intended target of the shooting. If you know anything take action and call the crime line.

2. **WTKR NewsChannel 3 at 6:30am January 11, 2016 Length :20** Later today, jury selection begins in the trial of Caesar Goodson --the police officer who drove the van that carried Freddie Gray before his death. Gray arrived at the police station critically injured after he was driven for 45-minutes--handcuffed--shackled and unrestrained in the back of the van. Goodson is facing second degree murder charges.
3. **WTKR NewsChannel 3 at 5:00pm January 20, 2016 Length :20** right now police in Suffolk are looking into a sex crime against a child. We're told - a 16-year-old boy is accused of sexually abusing an 8 year old girl - over the weekend. So far the teenager is not charged - as this case is still under investigation. Police tell NewsChannel three - the teen and the little girl do know each other.
4. **WTKR NewsChannel 3 at 11:00 pm January 28, 2016 Length :45** a house fire in Chesapeake leads police and fire crews to a disturbing discovery a body found inside. Chesapeake crews were called to Hoover Avenue for a house fire around noon today. A neighbor describes the chilling moment she found out the house was on fire. "I yelled through the window I was screaming her name because she was yelling at first, then she became silent. All I could do was just get over there because I knew she was in the house." neighbors tell NewsChannel 3 the woman who was found inside had only lived there for a few months -- but she quickly became a part of the community. Police are calling this an ongoing death investigation. If you know anything about it, you're asked to take action and call the crime line. 1-888-lock-u-up.
5. **WTKR NewsChannel 3 at 5:00 am February 5, 2016 Length :30** In Virginia Beach, police are looking for 20-year old Devante Williams who according to family shot his own mother. The shooting happened on Kitima Drive in Ocean Lakes subdivision yesterday. The woman was taken to the hospital and is expected to be okay. Police say Williams is armed and dangerous and he's wanted for attempted murder, carjacking and other related charges. Family members say they do not know where DJ is. Police say he left the scene driving a 2014 red Toyota Camry with a license plate that reads "prosper."
6. **WTKR NewsChannel 3 at 11:00 pm February 17, 2016 Length :20** New tonight, Virginia Beach police need you to take action against crime, and help catch an armed robbery suspect. Beach dispatch tells NewsChannel 3 someone was assaulted, robbed and taken to the hospital. They say that got the call near the Chimney Hill shopping center on Holland Road around seven tonight. If you know anything that can help the investigation, take action and call the crime line.
7. **WTKR NewsChannel 3 at 4:00pm February 23, 2016 Length :25** deputies say a random sweep at Gloucester high school has a 17 year old in some serious trouble. The Gloucester county sheriff's office says they did a sweep and one of their k-9 officers got a hit on a student's car in the parking lot. Police searched the car and found - pills and marijuana. Deputies say charges are pending against the teen. They did another search inside the school but didn't find anything else.
8. **WTKR NewsChannel 3 at 6:00pm February 26, 2016 Length :35** we are learning more today about last month's tragic Chesapeake murder-suicide. Today the medical examiner told NewsChannel 3 Doris Dooley, the grandmother of shooter Cameron Dooley, died after being shot multiple times in the head and torso. Police say last month - Cameron Dooley shot his mother, father, sister and brother in the head, before shooting himself in the chest. The medical examiner did not tell us how Doris died until today. Police are still working to find out when the Dooley's were killed. They say Cameron killed himself following a barricade situation with police. And say it's possible the rest of his family was killed days before.

9. **WTKR NewsChannel 3 at 5:30am March 3, 2016 Length :45** customers at a convenience store in Georgia are calling one of its cashiers a hero. Boomika Patel was working the store alone yesterday when a hooded man came in for a mountain dew. She could tell by his body language something wasn't right. When he demanded all her money at the register she barely hesitated. "I say no I can't. He say I shoot you! I say go ahead. If you want to shoot me, shoot me." after a fight the robber ran out and Patel ran after him--hammer in hand. Authorities say the 17-year old accused of trying to rob the store is now in custody and is facing charges.
10. **WTKR NewsChannel 3 at 11:00pm March 8, 2016 Length :20** New tonight, James City County police are looking for a man with a number of outstanding warrants. Andre Jovan Payne is wanted for abduction - robbery - gun charges and conspiracy to commit a robbery. His last address - crescent way in Newport News. If you know where he is - call the James City County police department - or the crime line at 1-888-lock-up.
11. **WTKR NewsChannel 3 at 4:00pm March 16, 2016 Length :45** the university of Virginia student detained in north Korea has been sentenced to 15 years of hard labor. The report comes from china's official news agency. "Please- I've made the worst mistake of my life!" north Korea released this video earlier this month - showing 21-year-old Otto Warmbier's desperate apology. Warmbier - a third year business major at UVA -- admitted to stealing a political banner from a North Korean hotel two months ago. It's not known whether his admission was coerced or not. Warmbier was arrested on January second as he was about to board a plane to leave the country.
12. **WTKR NewsChannel 3 at Noon March 24, 2016 Length :25** New Details, we know now the man who held up a Newport News bank at gunpoint yesterday. Police arrested 37-year-old Deshaun hall. He's being held on a list of charges including two counts of robbery.
13. It happened yesterday at the Bayport credit union on Denbigh Boulevard. Police say hall pulled out a gun and demanded cash. Several employees and customers were in the bank at the time-- but no one was hurt. Police arrested hall shortly after.

## ECONOMY

1. **WTKR NewsChannel 3 at 11pm January 4, 2016 Length :30** Dow plunges nearly 300 point on the first day of trading in the New Year. Investors blame weaker than expected manufacturing numbers from china.
2. **WTKR NewsChannel 3 at 530PM January 4, 2016 Length :30** AAA predicts gas prices will stay low in 2016. They expect gas prices to average between \$2.25 and \$2.45 a gallon.
3. **WTKR NewsChannel 3 at 4pm January 5, 2016 Length 3:00** consumer reports -- how to save on gym memberships. We give tips like January is a great time for promotions, but wait until the end of the month when sales teams may be more eager to make a deal. Consider bringing some friends and asking for a group discount.
4. **WTKR NewsChannel 3 at 6pm February 29, 2016 Length 1:30** the city of Suffolk offers what they call an e-m-s passport -- covering your ambulance rides for an entire year. It's a big cost savings when insurance doesn't cover the tab.
5. **WTKR NewsChannel 3 at 6am February 23, 2016 Length :20** amazon's free shipping may cost some customers more. Customers now have to spend 49-dollars to qualify for free shipping. That's a 10-dollar increase. Amazon prime members who pay an annual fee will still get free shipping.
6. **WTKR NewsChannel 3 at 5pm February 12, 2016 Length :40** cost of valentines. The holiday has become a billion dollars industry. But how much are you spending on your honey this valentine's day? For florists, valentines is one of the most lucrative retail day of the year. Restaurants have also been known to raise prices. There is some good news - the price of jewelry has been dropping.

7. **WTKR NewsChannel 3 at 4pm March 15, 2016 Length 1:00** nearly two thousand new jobs are coming to downtown Norfolk. Most of the people hired will be hired locally not transferred from out of state. Governor Terry McAuliffe joined Mayor Paul Fraim today to announce that new jersey-based human resources company a-d-p is bringing 1800 jobs to Norfolk. The company expects to have most of the new jobs filled by the middle of next year.
8. **WTKR NewsChannel 3 at 11pm March 25, 2016 Length 1:45** backlash against North Carolina governor for signing anti nondiscrimination against lgbt. Implications for businesses.
9. **WTKR NewsChannel 3 at 5pm March 24, 2016 Length 1:30** there's a showdown over a proposed "religious liberty" bill in Georgia. Backers say the measure would protect faith-based groups that refuse to serve or hire someone for religious reasons. But major companies like Walt Disney are threatening to pull their business if it becomes law.

## EDUCATION

1. **WTKR NewsChannel 3 at 11 January 11, 2016 Length 1:30** The Powerball jackpot soared to more than one billion dollars. Much of the proceeds from ticket sales are supposed to go to schools. Rob Desir spent the day today trying to track down how exactly how much of that money is spent in Virginia school districts.
2. **WTKR NewsChannel 3 at 530pm January 5, 2016 Length :30** Virginia Governor Terry McAuliffe has announced a partnership between v-c-u and the university of Havana, in Cuba. The two schools have signed an agreement that allows them to exchange students and faculty internationally. It will also allow them to collaborate on research projects. The partnership the schools will pursue joint ventures in areas such as health, economics, and the humanities.
3. **WTKR NewsChannel 3 at 530am January 6, 2016 Length :30** Virginia Governor Terry McAuliffe has announced a partnership between v-c-u and the university of Havana, in Cuba. The two schools have signed an agreement that allows them to exchange students and faculty internationally. It will also allow them to collaborate on research projects. The partnership the schools will pursue joint ventures in areas such as health, economics, and the humanities.
4. **WTKR NewsChannel 3 at 4pm January 29, 2016 Length :35** Two Hampton schools were denied accreditation by the Virginia Board of Education, and two other schools-- were granted partial accreditation. The board voted that Bassette Elementary School and Hunter B. Andrews School have not demonstrated enough plans for improvement. Now the Hampton school board must enter into a memorandum of understanding with the state board to determine a corrective action plan. Cary and Machen elementary schools are allowed to be "partially accredited-reconstituted schools" and must enter into an agreement with the superintendent and decide on a plan to improve achievement.
5. **WTKR NewsChannel 3 at 6pm February 23, 2016 Length :20** Today was a special day designed just for home schooled students at Nauticus. The marine museum hosted home schooled students for a hands on science program today. Students and parents got a discounted entry today. Nauticus and the Battleship Wisconsin designed educational programs just for the occasion.
6. **WTKR NewsChannel 3 at 4pm February 2, 2016 Length :30** Some lawmakers are making yet another attempt to put the power of school scheduling in the hands of localities, above the objections of the tourism industry. House Bill 753 passed the house yesterday and today moved to the senate education and health committee. If the bill survives committee, it would allow school divisions to set their schedule without seeking a waiver from the State Board of Education. Opponents say starting school before Labor Day would hurt their businesses because it impacts vacation plans for visiting tourists.

7. **WTKR NewsChannel 3 at 4pm February 5, 2016 Length 1:25** 17 percent of Middle Schoolers are obese. That's according to State Senator John Miller, who wants area schools to trim the fat while in the classroom. That is why he's taking action to make students healthier.
8. **WTKR NewsChannel 3 at 6pm February 16, 2016 Length 1:35** Virginia Senator John Miller, from Newport News wants to change the structure of high school as we know it. He's introducing a bill, he says will build better students, getting them ready for the jobs that are out there now. Including those that don't need a college degree.
9. **WTKR NewsChannel 3 At 5am March 2, 2016 Length :25** Students everywhere will be celebrating books today as part of Read Across America Day. The initiative was started by the National Education Association. Schools all across the country will celebrate by having special guests readers in classrooms. NewsChannel 3's Kristen Crowley will be reading to a class at Sewells Point Elementary in Norfolk and NewsChannel 3's Erica Greenway will be reading at the Adult Learning Center in Virginia Beach.
10. **WTKR NewsChannel 3 At 6pm March 28, 2016 Length :20** Time is running out for you to get a head start paying for your child's college education. The pre-paid program allows families to prepay future tuition and mandatory fees at Virginia Public Colleges or Universities. It's open for parents of newborn through ninth graders. Accounts can be opened only during a limited enrollment period each year. This year's deadline is Thursday.
11. **WTKR NewsChannel 3 at 5pm March 16, 2016 Length :30** Virginia Beach parents could soon see a new grading system for their students. But first school officials want your input. Tonight school representatives will introduce three recommended changes - which include revising the current grading scale. The changes could also eliminate penalties for turning in late assignments - and no more zeros for not turning in assignments.

## ENVIRONMENT

1. **WTKR NewsChannel 3 at 4PM March 24, 2016 Length :25** The navy is holding a public information meeting for folks in Chesapeake to talk about their concerns with the Fentress drinking water. Earlier this month-- neighbors were concerned about the navy's finding of contamination in their water supply. The contaminant is called per-fluorinated compounds - or P-F-C's.
2. **WTKR NewsChannel 3 at 6pm March 11, 2016 Length 2:00** Some people living near Fentress airfield say they're concerned by the navy's finding of a contamination in their water supply. Residents aren't so sure the navy is entirely forthcoming in their findings. The Navy found contamination in their water supply. The contaminant is called per-fluorinated compounds - or P-F-C's.
3. **WTKR NewsChannel 3 at 630am March 17, 2016 Length :25** Michigan Governor Rick Snyder is set to lay the blame for flint's water crisis... at the feet of his state's environmental protection agency. He testified before a congressional committee today saying there were systematic failures at the Michigan department of environmental quality. The EPA's administrator will also testify with Snyder today.
4. **WTKR NewsChannel 3 at 630am March 15, 2016 Length 2:00** Two former officials linked to the flint water crisis defended themselves on Capitol Hill today. Former EPA official Susan Hedman defended the agency's actions in response to the flint water crisis. Hedman stepped down as the director of the EPA's Midwest regional office in February as the lead crisis grew. She said federal law prevented the EPA from acting more aggressively.

5. **WTKR NewsChannel 3 at 630am February 23, 2016 Length :25** 13-eagles found dead on Maryland's eastern shore - may have been poisoned. Maryland natural resources police say the birds may have eaten poisoned rodents - or killed by chemicals sprayed in a field. There's a 10-thousand dollar reward for information leading to a conviction.
6. **WTKR NewsChannel 3 at noon February 23, 2016 Length :25** A study done at Rutgers University says sea levels rose faster in the past century than during the last 28-hundred years. It says they even rose the fastest during the last 20 years. Researchers say greenhouse gases, melting glaciers, and higher temperatures cause sea levels to go up, especially around coastal areas.
7. **WTKR NewsChannel 3 at 5pm February 16, 2016 Length :20** Hampton roads just saw a slight increase for the first time since the beginning of the New Year. The current gas price is one dollar and 53 cents. Experts say the lower price is typical for this time of year-- and analysts expect this year's peak to happen in April.
8. **WTKR NewsChannel 3 at noon January 1, 2016 Length :20** Crews in Hampton rushed to a natural gas leak outside of the Buckroe fire station. We're told a contractor accidentally hit the natural gas line with a shovel, causing it to leak just after 9 this morning. The leak did not cause any major damage or force any evacuations. East Pembroke Ave near Mallory Street was blocked off briefly as crews worked to replace the line.
9. **WTKR NewsChannel 3 at 4pm January 29, 2016 Length :20** Classes are canceled this morning -- at a different school in Texas after students were exposed to carbon monoxide. Emergency workers helped nearly 700 students and adults escape the fumes at the middle school in Beaumont yesterday. More than 170 students and staff needed treatment. School officials say they are working with state inspectors to try and fix the problem.
10. **WTKR NewsChannel 3 at Noon January 15, 2016 Length :25** Environmental officials in New Mexico are planning legal action over last year's toxic spill into the Animas river. State authorities said they plan to sue the EPA, the state of Colorado, and the owners of the Gold King and Sunny-Side Mines. The spill happened in August when an EPA crew accidentally caused a leak that sent three million gallons of heavy metal filled wastewater into the river.
11. **WTKR NewsChannel 3 at Noon January 7, 2016 Length :20** A state of emergency is declared in southern California ... because of a major gas leak in Los Angeles county. The leak is at the also canyon storage facility in the suburb of Porter Ranch. It was discovered in late October. The California air resources board estimates that it is sending about 12-hundred tons of methane into the atmosphere every day. Thousands of people have been evacuated because of the fumes are making them sick.

## FOREIGN AFFAIRS

1. **WTKR NewsChannel3 at 4PM January 26, 2016 Length: 20** Isis has released a propaganda video that claims to show nine of the men behind the November terror attacks in Paris. This is a still frame from the video. The gruesome video shows the attackers' so-called "final messages," and some of the terrorists beheading hostages.
2. **WTKR NewsChannel3 at 4PM January 20, 2016 Length: 15** 19 people are dead after multiple gunmen attacked a University in Pakistan. Explosions and gunfire erupted on the campus of Bacha Kahn University --near the border.
3. **WTKR NewsChannel3 at 11pm January 15, 2016 Length: 25** Reports say the u-s military is on the scene of a terror attack on a hotel in western Africa tonight - six gunmen stormed the place -

took hostages - and exchanged fire with security forces in the area. Security forces are fighting back at this hour.

4. **WTKR NewsChannel3 at 6am January 15, 2016 Length: 15** new details following yesterday's Isis terror attack in Indonesia. Authorities in the country believe they know the identities of the five dead attackers -- and say two were previously imprisoned on terror charges.
5. **WTKR NewsChannel3 at February 19, 2016 Length: 15** U-S airstrikes targeted terrorists in two houses in Libya early this morning. Lycian security officials claim ten people are dead and a dozen more injured. It happened this morning in the city of Sabratha. Officials say it is not clear if the main target of the attack, a terror mastermind accused in two attacks last year, is among the dead or hurt.
6. **WTKR NewsChannel3 at Noon February 19, 2016 Length: 20** U-S airstrikes targeted terrorists in two houses in Libya early this morning. Libyan security officials claim ten people are dead and a dozen more injured. It happened this morning in the city of Sabratha. Officials say it is not clear if the main target of the attack, a terror mastermind accused in two attacks last year, is among the dead or hurt.
7. **WTKR NewsChannel3 at 5pm February 3, 2016 Length: 20** It's a story that seems like a horrifying movie scene - but it happened in real-life to passengers aboard a flight from Somalia. Officials say a mid-air explosion on a jetliner - left a gaping hole - and one passenger was actually sucked out of the plane. As Jonathan Vigliotti reports Somalia investigators are looking into whether a bomb caused the disaster.
8. **WTKR NewsChannel3 at Noon February 29, 2016 Length: 20** Otto Warmbier pleaded forgiveness for trying to steal a political banner from the walls of his hotel in Pyong-Yang. He claims the American government put him up to it. North Korea insists the press conference was Warmbier's idea. But-- it's not uncommon for foreign detainees in North Korea to be coerced into making political speeches against their native countries.
9. **WTKR NewsChannel3 at 11pm March 26, 2016 Length: 15** The island nation of Taiwan has a complex relationship with mainland china. It has fiercely defended its status as the "free" part of China since the 1949 civil war. It also claims some of the disputed islands in the South China Sea -- so Ivan Watson made a rare trip to see for himself.
10. **WTKR NewsChannel3 at 5pm March 25, 2016 Length: 1:10** Major developments in the ongoing battle against Isis. Today, police in Belgium arrested a man suspected of taking part in Tuesday's deadly terrorist attacks. And in Syria a top Isis leader has been killed. Steve Nannes has the details.

## HEALTH

1. **WTKR NewsChannel 3 at Noon January 8, 2016 Length : 20 seconds** Cut out the salt Doctors say you need to cut out the salt to reduce your risk of heart attack or stroke. New research from the Center for Disease Control and Prevention, or CDC, indicates nine out of ten adults and children are consuming far too much sodium. Most of the excess salt is found in processed foods and restaurant meals.

2. **WTKR NewsChannel 3 at Noon January 15, 2016 Length : 20 seconds** Shift work can lead to serious health problems The major risk is the increased risk of type two diabetes, shift workers risk goes up by 42 percent. Researchers believe disrupting the sleep cycle weakens insulin resistance in the body. Doctors and scientists agree working odd schedules negatively impacts employees overall health.
3. **WTKR NewsChannel 3 at Noon January 21, 2016 Length: 20 seconds** Post-surgery care. Choosing a larger hospital for surgery may save your life, and having a good nurse is just as important as having a good doctor. A new study compared patients at more than 300 hospitals and found patients treated in hospitals with better nursing environments had a lower rate of dying after surgery. Mainly because larger hospitals provide more training and technology to their staff.
4. **WTKR NewsChannel 3 at Noon January 29, 2016 Length : 20 seconds** Diet vs. exercise. If you're trying to drop some weight, researchers say spending too much time at the gym may be a big waste of time. Instead, researchers say your diet is more important. A recent study shows people don't necessarily burn extra calories by exercising more. The more often or longer you exercise the less strenuous it becomes and you burn fewer calories over time.
5. **WTKR NewsChannel 3 at Noon February 5, 2016 Length : 20 seconds** A new way to detect a serious condition in expectant moms. Ohio researchers have developed a simple test to diagnose preeclampsia. Doctors say the biochemical test examines urine samples and has 86-percent accuracy. Moms with preeclampsia develop high blood pressure and protein in the urine which can lead to deadly complications for both mother and baby.
6. **WTKR NewsChannel 3 at Noon February 11, 2016 Length : 20 seconds** Fingernail drug testing Fingernail testing has been around for years -- but now it is being looked at as one of the accurate drug tests available. Experts say the test looks at the chemicals left behind from drugs. It can show a person's drug history from 6 months ago, but the best part for experts is that it can't be cheated. These tests vary in cost -- but typically start at 150 dollars.
7. **WTKR NewsChannel 3 at Noon February 16 2016, Length : 30 seconds** Linking artificial turf and cancer. A new health concern is now being addressed by the federal government, linking artificial turf and cancer. This comes after reports of young athletes playing repeatedly on the fake turf and later developing cancer. Parents and coaches are concerned about the small pieces of recycled tires used, as the pieces often end up in players' mouths. Federal officials will review artificial turfs across the country to better determine the health risks.
8. **WTKR NewsChannel 3 at Noon 02/18/2016, Length : 20 seconds** Is your baby teething or sick? Babies are likely to be miserable when their teeth are coming in, but it shouldn't actually make them sick. A study in pediatrics finds that along with irritability, a slight rise in body temperature is a common symptom while teething. But, anything over 100.4 degrees is considered a true fever and could be a sign of an illness requiring treatment.
9. **WTKR NewsChannel 3 at Noon 03/24/2016, Length : 20 seconds** Napping bad for your heart? New research links long naps to a condition that's bad for your heart. Researchers at the University of Tokyo found people who napped 40 minutes or longer had an increased risk for metabolic syndrome. People with the condition have excess fat and increased blood pressure, blood sugar and cholesterol. The National Sleep Foundation recommends napping for only 20-30 minutes.
10. **WTKR NewsChannel 3 at Noon 03/16/2016, Length : 20 seconds** Drug free pain relief. If you want to manage your pain, try using your brain. A NEW report finds when it comes to treating pain, meditation may provide drug-free relief. The study in the Journal of Neuroscience used a heated probe to inflict pain on a group of volunteers. Participants said meditation reduced the pain by as much as 24-percent.
11. **WTKR NewsChannel 3 at Noon 03/09/2016, Length : 20 seconds** False claims New research finds special baby formulas that claim to protect against allergies are not effective. The study looked at 37 different trials and found no evidence the formulas reduced the risk of developing

conditions such as milk allergies and eczema. The U.S. food and drug administration previously approved manufacturer's claims that some formulas can reduce the risk of eczema.

12. **WTKR NewsChannel 3 at Noon 03/04/2016, Length : 20 seconds** Aspirin helps prevent cancer Regular use of aspirin can help prevent cancer. That's according to researchers IN Massachusetts who looked at two long term studies. They found aspirin provides the best protection from colon cancer and other tumors of the G I tract.
