

## **Quarterly Issues Report** **1<sup>st</sup> Quarter, 2023**

### **KLDS, Falfurruas, Texas**

KLDS continues to be staffed with a local announcer during business hours and broadcasts periodic Weather, Traffic and News information updates as needed throughout the day. KLDS is also a CBS SportsRadio affiliate and routinely broadcasts national breaking news items via CBS Sports Radio and Westwood One. KLDS also monitors Fox Sports Radio as well as the national weather service.

KLDS broadcasts local weather reports hourly from the National Weather Service.

KLDS has a local 3 hour call in show which frequently deals with community issues relating to sports such as local stadium construction and demolition, tax rates, and public interest issues daily weekday mornings from 6-9 AM. This show frequently features local guests from the political scene such as the mayor and members of city council

KLDS continues to broadcast a program featuring The Mormon Tabernacle Choir each week at 7:00 AM Sundays, KSIX also airs public service announcements for TXDOT, Financial planning, Asthma Awareness the Gulf Coast Humane Society and various other public service announcements.

KLDS Also runs INFOTRAK, a weekly program produced specifically to address “News you can use” Sunday mornings@ 7:30 AM. Issues covered in INFOTRAK are listed elsewhere in this report.

Several staff members of KLDS also are involved with community activities such as Skywarn weather training. KLDS also supports the Coastal Bend Blood Center and has been awarded for our support.
