COMMUNITY PROJECTS

October

SPREE!— As media sponsor, we produced a public service announcement. We also supported their fundraising efforts at the events preview gala with anchor Amber Rupinta serving as an

emcee. The Junior League of Raleigh plans and coordinates this event with proceeds benefiting at risk youth.

Operation Save A Life—ABC 11 partnered with Kidde, Carolina Restoration, and the NC Jaycees Burn Center at UNC to launch a fire safety campaign. The campaign included a series of fire safety PSAs offering fire safety tips. Additionally, Kidde donated thousands of smoke alarms to firefighters in the 23 county viewing area to be installed in at risk homes.

November/December

Heart of Carolina Food Drive— As media sponsor, we aired a public service campaign that collected a record breaking 1.3 million meals benefitting the food banks in Raleigh and Fayetteville, NC!! We also secured four sponsors (BASF, Kroger, Junior League of Fayetteville and US. Foods) for this two week campaign that culminated with live updates every half hour from 4 locations in our viewing area asking viewers to donate food.
