CHILDREN'S TV PROGRAMMING COMMERCIAL CERTIFICATION

WYZZ-TV certifies that all children's television programs carried during this quarter, which is identified below, were formatted so that, as a matter of standard policy and practice, the programs would not exceed the following commercial time limits in Section 73.670 of the FCC's rules:

Weekdays: 12:00 minutes in any hour program and 6:00 in any half-hour program;
Weekends: 10:30 minutes in any hour program and 5:15 in any half-hour program.

(Commercial matter was prorated in the same proportion for any children's program over five minutes, but less than a half-hour in duration that aired outside a longer children's program.) Attachment A identifies any commercial time overrun from the limits stated above, together with a brief explanation.
