Dear Ms. Goldin:

We have completed our review of the response of Capstar TX, LLC, licensee of the above-noted stations, to the February 16, 2012 random audit letter sent to it in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11) for noncommercial stations, the licensee must place copies of this letter, our February 16 audit letter, and its audit response in the public inspection files of the stations. The licensee must maintain these materials in the files until the next grant of the renewal application, by final order, of the license for the station to which the file relates.

Should you have any questions concerning this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink that reads "Lewis C. Pulley".
