Talked about kids asking questions. We are closer to God when we are asking questions than when we think we have the answers. Never run out of questions to ask God.

If you're wondering why God hasn't seemed to let you know what's coming next in your life, you're probably not completely the tasks that he's already laid on your heart to accomplish. Get those things done and God will show you the way. He used King Ahab and Elijah to focus on this issue.
The formula is 1. Obedience 2. Then 3. Next. Obedience must be, before you can move on hand in hand with Jesus.

Still talking about Elijah. More about walking with God and that if we are truly hand in hand with God, then it's obvious. You can't hide it from people. Elijah walked with God and that help him bring a boy back from the dead. We are like a billboard for God. Don't take a break from God and let people see the dark side of you. Walking with God is a constant, continuous thing.

Solar eclipse was coming the following day. A lot of Christians are trying to use it to scare people into following Christ. Pastor talked about fear being a bad reason to come to God. It has to be out of love, not fear.
