WNMU-TV ISSUES/PROGRAMS LIST

July 1 – September 30, 2021

A list of significant community and viewing area issues to be addressed in the next three months were identified during an Issues and Programs meeting held on Tuesday, September 29, 2021. The station managers of WNMU-TV and FM, the TV assistant program manager, the FM News director, the TV Producer and the TV/FM Business and Community Support Coordinator were present.

The issues previously identified for the period above are listed separately with information as to programs and/or interviews designed to address each issue or need.
