2. For each such vacancy, the recruitment sources(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the EEO Rule, which should be separately identified), identified by name, address, contact person and telephone number;
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

Appendices 1, 2 and 3 which follow have been designed, in the aggregate, to provide the required information. Please note that the alphabet letters listed on Appendix 1 under the column entitled "Recruitment Sources Utilized" refer to the Recruitment Sources listed on Appendix 2.

For purposes of this Report, a vacancy was deemed "filled" when the hiree began work. A person was deemed "interviewed" whether he or she was interviewed in person, over the phone or by e-mail.

Appendix 3 to Annual EEO Public File Report

Covering the Period from August 1, 2015 through July 31, 2016

Station(s) Comprising the Station Employment Unit: WHBF

Section 3: Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken by WHBF

	Recruitment Initiative	Description
1	The establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment	Through the years, WHBF has been involved in helping members of the community achieve their educational goals. WHBF recruits students interested in the broadcast industry by widely advertising our internship programs at career fairs and by educating managers to mention this opportunity when speaking with members of the community. Letters of Agreement are filled out by the prospective intern and approved by a professor of the university and an evaluation is performed at the end of the intern's term. WHBF also lists internship openings with various universities and free publications. During the summer semester of 2015, WHBF hosted 3 interns from Augustana College (1), Iowa State University (2).
2	Listing openings in a job bank or newsletter of a media trade group with broad-based membership, including participation of women and minorities	WHBF participates in job banks and internet programs with many organizations, as outlined above in italics, including the Illinois Broadcaster's Assoc., Drake University Job Bank, IA Workforce Development, IL Dept. of Employment Services, etc. These organizations have programs designed for outreach generally, and are not primarily directed to providing notification of specific job vacancies. (See italicized sources on recruiting source list in Section 2.)

3	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions	KLJB Station Manager and Business Assistant attended career fair at local college (Augustana College) on 9/22/15. Displayed employment and internship opportunities.
4	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions	Promotion Manager and Business Assistant attended career fair at local university (St. Ambrose University) on 3/22/16. Displayed job offerings at a TV station and internship opportunities. A lot of interest in internships.
5	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions	Promotion Manager and Business Assistant attended career fair at local college (Carl Sandburg College) on 4/5/16. Displayed job offerings at a TV station and internship opportunities. A lot of interest in internships.
6	Participation in activities designed to further the goal of disseminating information about employment opportunities in broadcasting to job candidates who might otherwise be unaware of such opportunities	WHBF created a television spot which airs approximately every day at varying times. The spot: 1) invites organizations that distribute information about employment opportunities to contact WHBF to be added to our mailing list and 2) informs job seekers to check WHBF's website for postings of current openings. The spot confirms that WHBF is an Equal Opportunity Employer.
