

WFXB – TV
4th Quarter 2011

**Standard Form Quarterly Certification
of Commercial Material in Children's Television Programs**

Certification of Commercial Material
in Children's Television Programs
for
WFXB, Myrtle Beach, South Carolina

This Certification of Commercial Material in Children's Television Programs applies to Children's Programs broadcast by this station during the period October 1, 2011 to December 31, 2011. As used herein, the term "Children's Program(s)" means a program originally produced and broadcast primarily for children 12 years of age and under.

I hereby certify as follows:

1. Children's Programs Produced Locally by the Station

Attached hereto as Exhibit A is a list of Children's Programs produced by and broadcast by this station during the period covered by this Certification. As a standard practice, this station formats all of the Children's Programs it produces for broadcast in compliance with commercial limitations contained in the Children's Television Act of 1990 [Pub. L. No. 101-437] (hereinafter the "Act"). In no instance did the total amount of actual commercial matter in the "clock hour" during which any of the Children's Programs listed in Exhibit A were broadcast exceed the Act's statutory limits for Children's Programs.

2. Network Children's Programs

Attached hereto as Exhibit B is a list of FOX Network Children's Programs broadcast by this station during the period covered by this Certification. This station has received certification from the FOX Network that it, as a standard practice, formats these Children's Programs to comply with the Act's statutory commercial limits for Children's Programs. I hereby certify that this station did not add any commercial matter to these network Children's Programs which, when taken together with the network commercial matter contained in these programs, would cause the total amount of commercial matter in the "clock hour" during which any of these network Children's Programs were broadcast to exceed the Act's statutory commercial limits for Children's Programs.

3. Syndicated Children's Programs

Attached hereto as Exhibit C is a list of syndicated Children's Programs broadcast by this station during the period covered by this Certification. This station has received certification from the syndicator of each of these programs that each, as a standard practice, formats its Children's Programs to comply with the Act's statutory commercial limits for Children's Programs. I hereby certify that this station did not add any commercial matter to these syndicated Children's Programs which, when taken together with the syndicated commercial matter

contained in these programs, would cause the total amount of commercial matter in the "clock hour" during which any of these syndicated Children's Programs were broadcast to exceed the Act's statutory commercial limits for Children's Programs.

4. Display of Website Addresses

Attached hereto as Exhibit D are the Station's Weekly Website Display Checklists demonstrating the Station's compliance with the Commission's Website Display rules. Fox Network has certified that all websites are compliant. The Licensee has raised a number of concerns with the network and the producer, including the status of websites referenced in the programming and the time frames during which the rules require that the websites meet the FCC requirements. The network and the producer assert that at all times the programming and associated websites have complied with all relevant rules, but have nonetheless agreed to certain modifications which we requested.
