Dear Linda;

The Macon County Singing School recently completed its 6th annual session. There were 45 students enrolled and completed the week of musical study. With that said i consider this session to be a complete success.

You, your staff, and management are a part of that success by allowing me to speak about our singing school on your coffee talk program. Your consideration by this donation of air time indicates your dedication to the community and its activities. Thank you from my heart for helping us give music to our community.

Yours in His service,
