WSTH provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **ALCOHOL AND DRUG ABUSE:** The Council on Alcohol and Drugs works to change lives by empowering communities to prevent substance abuse and its related problems at home, school and work with proven, practical resources, prevention education, and advocacy with a vision to be the premier resource for substance abuse prevention and education: changing lives, saving futures. John Bringuel, Project Director of the Georgia Prescription Drug Abuse Prevention Initiative, discusses the opioid epidemic and solutions to prescription drug abuse.
- **ANIMAL RESCUE:** Atlanta Lab Rescue is an all-volunteer, non-profit organization, whose mission is to identify and rescue Labrador Retrievers and large breed mixes from overwhelmed shelters and abusive situations and place them in secure, loving homes. Becky Cross, founder of ALR , Kathy Camp, Intake and Vetting Coordinator and Stacey Brogan, Adoption Coordinator, discuss ALR and the great need across Georgia.
- **Child Abuse Intervention & Prevention Program :** Non accidental trauma has been a leading cause of death since 2010 at Children (tm)s Healthcare of Atlanta. Their Partnerships for Healthy Communities (tm) Child Abuse Intervention and Prevention Program provides training for first responders to recognize the signs of child abuse. Kara Klein and Dr. Stephen Messner from CHOA and Jeff Adams with Banks County Fire/EMS, discuss the program.
- **DRIVING SAFETY:** After a decade of decreases in annual roadway fatalities in Georgia, the last two years have seen a 33 percent increase. Pedestrian deaths are also surging at an alarming rate. DOT (tm)s Drive Alert Arrive Alive campaign calls attention to the increasing and preventable fatalities on Georgia (tm)s roads and educates drivers about changes in their driving behavior that can save lives. Andrew Heath, State Traffic Engineer for the Georgia Department of Transportation discusses the campaign and other issues.
- **GA HIGH SCHOOL ASSOCIATION:** The Georgia High School Association is composed of over 450 public and private high schools. It strives to promote good sportsmanship and a cooperative spirit among its member schools, and endeavors to maintain high standards so that each pupil competing in each school is on the same basis. Dr. Robin Hines began his tenure as GHSA Executive Director in June of this year and provides

an update of the GHSA

- **Georgia Department of Early Care and Learning:** Bright from the Start: Georgia Department of Early Care and Learning Also known as DECAL - is responsible for meeting the child care and early education needs of Georgia (tm)s children and their families.
