SEGMENT 1: WORKERS ARE FED UP: THE CONTINUING STRIKES & UNIONIZATIONS IN THE U.S.

Time: 1:47

This dispute over pay, hours and working conditions would've shut down the U.S. railway system, costing billions of dollars in lost revenue from commuter travel and a stall in commodities and goods shipments. Over the past year, headlines covering workers striking or pushing to unionize have become commonplace. What's driving this labor revolt? Stay tuned this week.
