WVON
Quarterly Issues/Programs List

WVON provides its listeners with programming and public announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **employment:** Clayton Pryor, Dir. Of Workforce Development, of the Chicago Urban League weekly segment informs listeners about employment opportunities.
- **news:** WVON discussed how several hundred demonstrators marched and shut down Chicago's famed Michigan Avenue on Black Friday. The demonstrators took to the streets to bring attention to the 2014 police shooting of 17-year-old Laquan McDonald, whose death occurred under dramatically different circumstances than those described in official police accounts, video released showed. Jason Van Dyke, the officer involved in the shooting, has been charged with first-degree murder.

Cliff Kelley spoke to Alderman Carlos Ramirez Rosa about Aldermen's coming together behind Cook County Commissioner Jesus "Chuy" Garcia to call for the resignation of State Attorney Anita Alvarez.

- **news/community:** WVON listeners joined WVON for the South Suburban Jazz Society Jazz Crawl presented by Nicor Gas.

WVON and listeners celebrated Thanksgiving with the much anticipated annual Turkey Race.

Perri Small spoke to Rashanah Baldwin, an Engelwood resident and journalist to discuss a new documentary Chicago's Side South Side by Geoffrey Baer.
