Dear Mr. Detz:

We have completed our review of the response of Visionary Related Entertainment, Inc., licensee of the above-noted stations, to the June 13, 2019 random audit letter sent to it in accordance with the provisions of 47 C.F.R. § 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11) for noncommercial stations, the licensee must place copies of this letter, our audit letter, and its audit response in the stations' online public inspection files. The licensee must maintain these materials in the files until grant, by final order, of the next renewal application of the license for the station to which the file relates.

Should you have any questions concerning this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

Lewis C. Pulley,
Assistant Division Chief
