Annual Public Report-Broad Outreach:

The Employment Unit historically has maintained a list of recruiting organizations to which it regularly sent notices of all full-time job vacancies. During the 2020-2021 reporting period, however, and due to the COVID-19 pandemic, the Employment Unit experienced a number of personnel changes, including numerous layoffs and an early retirement, while simultaneously shifting to a remote work setting. The unanticipated change in station personnel while also shifting to a remote setting led to an oversight (and gap in station personnel training) during which notices were not sent to the organizations during the reporting period. Once the oversight was discovered, the licensee took remedial steps by providing training and emphasizing the importance of notification to community organizations. The Employment Unit will resume sending notices to its list of community organizations for all full-time vacancies moving forward.
