=====
Issue: Water Supply

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Title): Here & There

Date: 10/3/17 Time of day: 5pm Duration: 50min

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.):

The United States and Mexico are on the brink of a major agreement on the sharing of water from the Colorado River Basin. UNM water expert John Fleck calls the agreement a win-win and another great step forward in the rational allocation of the American Southwest's most necessary resource. In the face of a 17 year drought, dented only a bit by a wetter 2017, more people in the southwest, city-dwellers and farmers, have learned to use less water.

=====
