=====  
Issue: marijuana legalization in NM

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Title): Here And There

Date: Jan 22 Time of day: 5:07pm Duration: 51min

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.): Making recreational use of marijuana legal has long been an ambition of the NM Democratic Party. Now there's a Democratic Governor and Democratic majority in both houses of the Legislature. So does that mean legal pot's a sure thing? Not according to investigative reporter Mike Gallagher of the ABQ Journal - the vote, like the issue itself is complicated. Any legalization law will have to cover who can use marijuana and where, and who can sell it and where, and regulate standards of quality and collection of taxes.

=====  
Issue: nuclear safety at Los Alamos/public health

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Title): Here And There

Date: Jan 31 Time of day: 5:07 pm Duration: 51 min

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.): Since 2000 it's been Federal law that Federal nuclear workers only needed to show they had one of 22 radiation-linked cancer and proof they worked a plant that had had nuclear accidents, and incomplete records on human exposures to claim medical coverage and a lump-sum benefit. But Rebecca Moss of The New Mexican says workers from Los Alamos Labs who would seem to qualify often get nothing.

=====

Issue: poverty

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Title): Here And There

Date: Feb 12 Time of day: 5:07 pm Duration: 51min

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.): After a couple of decades as a community leader and advocate in Oakland, California, Sister Simone Campbell went national, establishing the NETWORK Lobby for Catholic Social Justice and travelling the country as part The Nuns on the Bus. She recently spent a week in New Mexico, listening to poor people in the cities, Albuquerque and Las Cruces, and especially in rural areas of the state. She'll tell us what she learned about, the need for the SNAP - food stamps - program without political restrictions on eligibility. Why not, she asks, just assure that no Americans go hungry?

=====

Issue: fracking/environment

WE RAN THE FOLLOWING PROGRAM TO ADDRESS IT (Title): Here And There

Date: Feb 14 Time of day: 5:07pm Duration: 51min

BRIEF DESCRIPTION OF PROGRAM (Format, participants, content, etc.): The County Commission in poor, underpopulated Mora County in Northeastern New Mexico voted to ban fracking. Their ordinance was overturned in Albuquerque Federal Court, but one Commissioner who lost his seat for backing the ban says, Mora County set an example that's been more successfully adapted in states like Maryland and New York. David Luis Leal Cortez made a film, Drilling Mora County about the issue. It'll be shown in Santa Fe on Sunday...and it should be noted, even without the ban, no fracking, no energy development at all, has taken place in Mora County.
