

KJDY AM/FM RADIO

John Day, Oregon

January 1, 2015

PUBLIC CONCERNS

1. Education. With declining enrollment throughout the county and less money available, are schools coping and what can be done to improve school curriculum
2. Cultural Issues. With the county's isolation what are local organizations doing and how can the station help publicize the events scheduled.
3. Health Care. What is being done to keep our hospital up to date with equipment and procedures and what programs are available to the community.
4. Community Projects. What projects are being initiated to help make the county more livable.
5. Youth Activities. Because of the low population and isolation of the area there's a need for activities for youth.
6. Community Safety. A look at what communities are doing to keep the citizens safe.
7. Environment. What is being done to improve the environment in our area.
8. Community Welfare. An overview of projects and programs available to make the area a better place to live.
