Guest:

Randy Keith President of The Veterans Outreach Organization. Earlier this year he gathered a group of great individuals and formed a committee to benefit Veterans. Being a US Army Veteran they have recognize the need that a lot of Veterans in our country have, and those people have a hard time getting the help. I presented my idea of an annual Poker Run that would start at my Local Moose in Dixonville, PA.

The moose lodge is behind them 100 percent and are amazed at what we have accomplished to date. Our Poker run is not just for Bikers. We welcome people wanting to support Veterans with joining in riding in their car behind us. We aren't just having an annual event. This Organization was formed to go much farther. I am in the process of having a website built that will serve many purposes such as Veterans applying to us online for assistance, Individuals and businesses will be able to donate to our organization through the site and we can also sell our items online, such as tshirts, hats etc to raise money for the cause.

Their ride is on July 22nd 2023. Starting at Dixonville Moose, then stopping in Punxsutawney Moose, then to Camoflaug Inn in Stump Creek, then to Starlight in Mahaffey, then to the Brew Cellar in Commodore and finalizes back at Dixonville Moose. Once back at the moose in Dixonville, we will have a spaghetti dinner, basket raffle, some gambling games and Live Band for Entertainment.

If you need other information or comments or even any questions answered please reply to me here or call my cell. 724-422-4819

A Child Advocacy Center is where children who have said they were either physically or sexually abused or children who were witnesses to violent crime, come and are interviewed once by a trained forensic interviewer with nationally accredited training, while the investigative team (law enforcement, prosecution, child protection, mental health personnel, medical personnel, victim/witness advocates, probation officers etc.) watch the interview on a monitor eliminating the need for each member of the team to do a separate interview with the child. This helps to lessen the trauma a child experiences by eliminating the repetitive interviews so that the child isn't reliving the experience over and over again. The investigative team works together making team decisions about the investigation, treatment, management, and prosecution of child abuse cases. The facility is designed to be child friendly to help the child feel more at ease. Referrals for interviews are made through either the police or child protective services.

Birdie's Heven Free Medical Clinic of Punxsutawney

2785 Walston Road
Punxsutawney, PA 15767
<https://www.nbchurchpunxsy.com/>

Birdie's Haven of Punxsutawney is a free health clinic staffed by amazing doctors, nurses, and volunteers here to give you access to high quality medical care for free. All services offered are always free of charge. We offer primary and preventative care to anyone. No insurance or income questions. This really is free medical care for all.

Our Mission

To help people who avoid going to the doctor because of financial concerns. We want to help those who fall in the cracks in our current health care system to have access to medical care so they can get healthy or better to stay healthy by having regular medical visits.

Who Do We Serve?

This is for anyone who needs medical care who also has to weigh the financial cost. There are no income requirements. Also you can have insurance and come to the clinic. Our goal is to help the working individual and families. For example you work and you have a high deductible, say \$3500 a year. Your copay is \$75 for a doctor's visit. You have insurance but you still cannot afford to go regularly to see a doctor because the cost is still a burden.

These are the people we wish to help. Those who are trying their best to get ahead but haven't fallen into a crack in our present insurance system. We want to be there for you. We don't ask about insurance or income because everyone's situation is different to what they can or cannot afford.

Our goal is to say there are no barriers to access to medical care because the most important thing in your life is your health. The best way to stay healthy is not to just go be seen when you are sick, but to be seen regularly so you head things off before they develop into a problem that could not only be very expensive but also life threatening. So many debate on whether or not to go to the doctor, we want you to know you no longer have to ask that question. Birdie's Haven is here for everyone, and truly puts your long term health above all other concerns.

What We Offer

- You will be seen by a certified Nurse and then by a certified Doctor, Nurse Practitioner, or Physician's Assistant. They will take the time to get to know you and what is going on with your health. A course of treatment will then be prescribed.
- We will follow-up with you and be sure you are getting the care you need.
- We can order medical equipment and write prescriptions. We also offer financial help to pay for these services.

New Beginnings Church Pastor Devin Wintermyer, welcomes Munsaka Shambweka as their new worship pastor, who is joining the congregation with his wife, Abigail. **“New Beginnings Church Goes International” is the title of this new chapter in the church’s history.**

Munsaka grew up in Zambia, Central Africa. He was drawn to music and worship while in Highschool. He pursued higher education and ministry in neighboring Namibia where he served in different capacities as Worship director and this was the defining point of his call to ministry through worship. He also attended Rhema Bible Training Center and Northrise University for ministry and Bible training. He has spent time both in Zambia and neighboring countries doing worship ministry. In the last 5 years, Munsaka has continued to grow and pursue his gifts further by serving youth and women in Nonprofit ministries and churches, helping the less privileged in community sharing the love of God with them.

Munsaka is married to his wonderful wife, Abby who is a former NextGen manager at a church in Zambia. She is passionate about the next generation coming to the saving knowledge of Jesus Christ and remaining faithful to impact generations after them.
