Good morning/afternoon,

Attached please find the NAB PB-19 form, contract, and affiliate list for an upcoming Premiere Networks political buy. Please include this email and the attached documents in your market's public file.

Nothing needs to be scheduled by the markets for this flight...the spot will be airing embedded within Premiere's long-form programming and/or as a scheduled unit within their barter vehicles.

At the top of page 1 of the PB-19 form is a disclaimer that puts the burden on Premiere if anyone questions any elements of this political flight. According to Premiere, the language of that disclaimer has been approved by the FCC.

Thank you!
