CAMPAIGN	TITLE	DESCRIPTION	LENGTH	# OF AIRINGS
Adoption From Foster Care	Lucky Ones	Thousands of teens in foster care are waiting for the love and support from a family, but unfortunately almost 20,000 young people leave foster care without a family every year. Inspired by real families' stories, this honest and heartfelt campaign reveals the remarkable value there is in adoption for both teens and parents. This successful campaign has contributed to the more than 900,000 children and youth that have been adopted from the U.S. foster care system since 2004.	:60	35
American Cancer Society	The Conversation	The American Cancer Society is a nationwide, community-based voluntary health organization dedicated to eliminating cancer as a major health problem. The American Cancer Society's mission is to save lives, celebrate lives and lead the fight for a world without cancer, including cancers caused by HPV or Human Papillomavirus.	:30	45
Child Car Safety	Hustle	Motor vehicle crashes are a leading cause of death for children age one to 13. Parents go to great lengths to ensure their children are safe and protected—but when it comes to car safety, many let their guard down. To ensure parents and caregivers are properly securing their children in the best car seat restraint for their age and size, they can visit <a href="https://www.nhtsa.gov/TheRightSeat">NHTSA.gov/TheRightSeat</a> or <a href="https://www.nhtsa.gov/Protegidos">NHTSA.gov/Protegidos</a> .	:30	50
Child Mind Institute	A Voice for Children	There are more than 17 million young people struggling with mental health disorders in the United States. That is 1 in 5 children, more than the number of children affected by cancer, diabetes, AIDS and asthma combined. The Child Mind Institute is an independent national nonprofit organization exclusively dedicated to transforming the lives of children and families struggling with mental health and learning disorders.	:15	30
Discovering Nature	Forest Trail	Since 2009, the Ad Council and USDA Forest Service's Discover the Forest campaign has encouraged parents and caregivers to take their families out to the forest to experience and reconnect with nature. Our latest creative work highlights the power of authentic storytelling to showcase the forest as a place where families can deepen their connection with each other and with the outdoors, while making the forest part of their story.	:60	35
Ending Hunger	4-On-4	These are uncertain times for everyone, but for households facing hunger, the coronavirus fallout—including school closures and job disruptions—can present an even greater threat. Millions of Americans, including children, will turn to food banks for much needed support. As the largest hunger-relief organization in the United States, The Feeding America network of food banks feeds millions of families each year, especially during times of disasters and national emergencies.	:60	30
Fatherhood Involvement	Doors	What is #Dadication? It's just like dedication but it means that as a father, you never stop being a dad. The Fatherhood Involvement campaign PSAs highlight the everyday struggles and victories of being a dad to give all fathers the confidence and encouragement to keep going. The campaign hashtag "#Dadication" is part of an ongoing effort to encourage dads to play an active role in their children's lives.	:30	40
Feed the Children	Donate	Feed the Children, a 501(c)(3) nonprofit organization, has pursued its vision of a world without childhood hunger since 1979. Active in the United States and in 10 countries across the world, we are dedicated to helping families and communities achieve stable lives and to reducing the need for help tomorrow while providing food and assistance to help them today.	:30	35
Feeding America	Shanola Hampton	38 million people face hunger in the United States, including more than 12 million children. Hunger knows no boundaries – it affects people from all walks of life. "The Truth About Hunger" features actress and activist, Shanola Hampton, as she reads handwritten letters inspired by real experiences of people facing the devastating impacts of hunger, shedding light on the issue and inviting all of us to take action. Because together, we can end hunger.	:30	30
Habitat for Humanity	Version II	At Habitat for Humanity, we understand how a safe, affordable home can serve as the foundation to a family's strength, stability and self-reliance. We admire the pride that Habitat homeowners feel once they've taken off their hard hats, purchased their homes and moved their families in. We celebrate the day when a family can say, "This is my house!"	:30	35
Hearing Health Foundation	Listen Up People	Hearing Health Foundation (HHF) is the largest nonprofit funder of hearing and balance research based in the United States. For more than 60 years, HHF has awarded scientific research grants to foster the development of cochlear implant technology, more effective hearing aids and successful ear surgeries, and ultimately a cure for hearing loss which affects nearly 50 million Americans.	:30	35
High School Equivalency	Jessica	For more than 34 million American adults without a high school diploma, opportunities are limited. Many are living in poverty. But it's not too late. Since 2010, FinishYourDiploma.org has connected more than one million people with free adult education classes to help them earn their high school equivalency, so they can connect to a better tomorrow.	:60	35
Make-A-Wish Foundation	Poem, Lasso	The new Make-A-Wish® "Lasso" PSA aims to communicate the imperative role that everyday people play in helping make every wish come true for children battling critical illnesses. The PSA features a voiceover from actor and WWE® Superstar John Cena, who has granted more wishes than any other celebrity wish granter, in addition to a special re-recording of "A Sky Full of Stars" from award-winning musicians Coldplay.	:30	55
Mollie's Fund	Cover Up	The Mollie Biggane Melanoma Foundation was created in 2000 in her memory after her death at the age of twenty. The mission of Mollie's Fund is to increase awareness for melanoma prevention, provide information and services on skin cancer detection, and support melanoma patients through education on the latest treatments.	:30	45
Ronald McDonald House Charities	Anthem	For over 48 years, Ronald McDonald House Charities® (RMHC®) has been keeping millions of children and families close to the critical care they need - and to each other. We know that when a child is ill, there is nothing more important than having loved ones by their side throughout their medical journey.	:60	35
St. Jude's Children's Research Hospital	Griffin	At St. Jude Children's Research Hospital, our mission is clear: Finding cures. Saving children. Because most of our funding comes from individual supporters, families never receive a bill from St. Jude for treatment, travel, housing or food—because all a family should worry about is helping their child live. St. Jude won't stop until no child dies from cancer.	:60	40
Susan G. Komen	Hope	Susan G. Komen is introducing the Moments Campaign. These executions will inspire communities to support those impacted by breast cancer. Using the message of hope, while showing the stark reality of the illness, the ads showcase authentic imagery that call for the support of those in need. The campaign will highlight the millions of moments that make up one's journey— it's these individual moments that truly tell the story of those impacted by breast cancer.	:30	45
Teach	Depends on Teachers	TEACH, a non-profit organization founded by the U.S. Department of Education, partners with State Departments of Education, school districts, and universities to rebrand the teaching profession and modernize recruitment to attract the next generation of talented, diverse educators. As we succeed in our mission, we will reverse the current teacher shortage.	:15	35
The V Foundation for Cancer Research	One Team for Victory	The V Foundation for Cancer Research was founded by ESPN and legendary basketball coach Jim Valvano with one goal in mind: to achieve Victory Over Cancer®. Since its formation in 1993, the V Foundation has awarded nearly \$290 million in cancer research grants nationwide and has grown to become one of the premier supporters of cutting-edge cancer research. Due to generous donors, the Foundation has an endowment that covers administrative expenses.	:30	35
World Wildlife Fund	Together Possible	When it comes to addressing the complex environmental issues that impact our planet—such as deforestation, climate change, water scarcity, and illegal wildlife trade—the only way we can spark change that will really make a difference is by working together. WWF partners with government officials and local communities; consumers and business leaders; fishers and ranchers; universities and multinational institutions—all to reach conservation solutions that we couldn't reach alone.	:30	50
