## RevFM Radio Network – Third Quarter 2022

The RevFM Radio Network airs a short (10 to 15 second) feature which is changed on a weekly basis. The feature, entitled “***BibleTrax***”, airs around **30 minutes past the hour, every hour** of the broadcast day. BibleTrax is designed to encourage listeners and provide Biblical insight. The feature facilitates Biblical education and knowledge by allowing the listener to memorize scripture by repeated airings at regular intervals.

The RevFM Radio Network airs short (30 to 60 second) features such as “***DiscipleTips***”, “***Journey Diaries***” and “***Ancient Wisdom***” at random times of the day. These features include quotes or insights from modern and historical Christian artists, ministers and authors. The programs are designed to encourage the listener to learn more about the scripture or to apply the topic of the feature to their daily lives.

The RevFM Radio Network airs the 1 minute “***Plugged In***” review program produced by Focus on the Family. The program airs at **6:30 AM and 5:50 PM, Monday through Friday**. The feature is an entertainment guide full of the reviews listeners need to make wise personal and family-friendly decisions about movies, videos, music, TV, games and books found in modern culture.

The RevFM Radio Network affords the opportunity for churches and other non-profit organizations to have their ***community events*** aired, free of charge, via ***Public Service Announcements*** during **regular intervals throughout the prime hours of the broadcast day**. These events range in scope from free winter coat giveaways, food pantries, free cultural events, community socials, public lectures, blood drives, human services, etc. RevFM on-air personalities regularly invite non-profit groups to submit Public Service Announcements by email, our facebook page and our physical mailing address.

The RevFM Radio Network provides a ***regional weather forecast*** hourly from 6am to 10am weekdays. ***Weather events*** that are *an imminent threat to life or property are immediately forwarded over the air* from the regional National Weather Service in State College, Pennsylvania via our Emergency Alert System for any severe weather situation in all the counties within our 7 FM radio signal primary coverage areas.
