Greetings!

Community Action Partnership Food Bank would like to thank you, on behalf of all of the families and individuals we are able to serve, through the aid of generous donations like yours. Please be sure that your contributions make a difference, every day, in the lives of many families in our community. We serve an average of 125 people every day at our food bank, and in 2018 distributed 5,686 food boxes, and through our clearing house program we assisted 25,942 family members. We would not be able to accomplish this without the support of generous community members like you.

Your help is very much appreciated by all of us at Community Action, and especially by those whose lives were changed.

Sincerely,

Steve Small
