Synopsis: Topics Discussed on Today's Program:

Topic - John and Josh discuss the expansion of our help programs in the US.

- The programs to help people in the US have continued to expand.
- Before the pandemic, the economy was almost fully employed. This is how an economy works.
- When the people who make an economy run aren't working, the economy will of course be hurting.
- People have a lottery mindset in our nation, "I want everything without having to do anything."
