Quarterly PSA Report

October - December 16

Source: Insight - News Broadcast

Panel: John & Josh Rosenstern

Air Date: 10/05/21

Duration: 25 Minutes

Synopsis: Topics Discussed on Today's Program:

Topic - John and Josh discuss the looming issue of Inflation in the US.

John describes what it really means for the American People.

- \$600 transactions will now be policed by the IRS, which many believe to be unreasonable search and seizure.
- 1099's will become small books because of these transactions having to be listed, money will be wasted on hiring new IRS workers to police these transactions.
- Will suspicion be enough for probable cause for the IRS to look into your bank account?
