Topic TRASH COLLECTION/KEEP MIDLAND BEAUTIFUL

Date/ Time /Duration 01/03/22

(If) Program/ Guest \_\_\_\_\_ Title \_\_\_\_\_

Discussion: LET'S BE GOOD NEIGHBORS, HAVE  
A VERY MERRY CHRISTMAS AND A HAPPY  
NEW YEAR AND WATCH WHAT WE THROW IN  
THE DUMPSTERS THIS TIME OF YEAR, SO EVERYONE  
HAS ROOM TO THROW BIODEGRADABLE TRASH.

(If) Event/ Location MIDLAND, TX

It's the most wonderful time of the year...and the trashiest. The Holidays are here, and mass consumption is in full swing. Annually, Americans produce 25% more trash between Thanksgiving and New Year's Day. With this in mind here are some helpful tips for handling trash and recyclables this time of year. It's a good idea to use your dumpsters for trash consisting of food scraps and anything biodegradable. That means items that will decay and smell bad. So, produce, meat and bones, dairy, those types of items should be thrown like usual. But please hang on to wrapping paper and bows from Christmas presents. They can wait till there is more room in the trash container. Also, boxes from Christmas presents, packaging and numbers 1 and 2 plastics can be recycled, reduced, or reused. Please be certain to tie your trash bags so no trash escapes. And if your dumpster gets full, please hold all trash till its emptied. Over stuffing dumpsters leads to litter. Let's be good neighbors, have a very Merry Christmas and a Happy New Year and watch what we throw in the dumpsters this time of year, so everyone has room to throw biodegradable trash.

Hours for the Citizens Collection Station are Tues. - Fri. 10 am to 6 pm and Sat. 9 am to 2 pm.

For more information about trash collection call City of Midland Solid Waste at 685-7278.

For more information about holiday recycling, reducing and reusing call Keep Midland Beautiful at 688-7745.

## NEWS FOR IMMEDIATE RELEASE

Odessa, TX- The City of Odessa will have a partnership with [DOCS Health](#) to continue the mitigation of COVID-19 in our community. This will be the second COVID-19 testing site set up by the city with no out-of-pocket cost. A special thanks to The University of Texas Permian Basin for providing the testing space and continuing to partner with the City of Odessa.

The first date of operation will be Thursday, January 13, 2022. Hours will be Monday thru Sunday from 9am-6pm. From January 13-16, the location will only have PCR tests available. On Monday January 17, the site will have both PCR tests and rapid antigen tests available. It will be a drive-through testing location, no appointments needed, however, online registration is available. Testing is subject to daily availability of material.

PCR test results are expected within 2-3 days in most cases and rapid test results will be a 15-20-minute wait at the site or you can receive your results via text message. Registration can be done at [DOCSHealthTesting.com](#) or you can register by texting DOCSTX to 41411. Health insurance information will be requested if available.

The testing site location will be at the UTPB community sports fields parking lot located at 191 and Loop 338. The entrance will be located on the 191 access road (42nd street) and exit will be on Loop 338. Please follow all staff member directions at the site for a safe and efficient process.

If you have any questions or need additional information, Asst. Fire Chief Joey White and Assistant City Manager Phillip J. Urrutia will be available for interviews upon request.
