Hi Andrew,

I am reaching out today to see if Media One Radio Group would be willing to provide some PSAs to make the public aware of free Solar Eclipse viewing glasses and safe ways to view the eclipse. The County is getting a large supply of eclipse viewing glasses and will have them available for pick up at various locations throughout the County. We will want to get the word out about the glasses as well as provide some safety tips for wearing them and viewing the eclipse by other means such as a camera or binoculars.

Please let me know if this is something you can help us with.

Thank you!

Hi Andrew,

Here is the free eclipse glasses PSA I was talking about earlier this month. You mentioned you could try to find some room for it on your stations.

There are plenty of glasses to go around. Thanks so much for your help to get the word out!
