Other members of the radio station programming staff may identify issues within the community. These issues are brought to the attention of Andrew or Terry and are reviewed to produce programming in the form of short interviews, news coverage, public service announcements or appearances as a guest on our 15-minute locally produced public affairs radio program "Community Spotlight."

In an effort to maintain routine outreach to the community and to learn of any issues, problems and needs that our listeners are concerned with, we air daily announcements on each of our stations inviting the community to contact us with their concerns.

Per FCC regulations, our list of Quarterly Issues & Programming are made available for public inspection on our radio station website – [www.MediaOneGroupRadio.com](http://www.MediaOneGroupRadio.com) – and in our "in house" file which is located at 2 Orchard Road, Jamestown, New York, 14701.
