10am - 10:25am Author Mark Schatzker - The End of Craving

Calendar: Talk Guests and Interviews

Created by: booch1131@gmail.com

Description:

One of the oldest and most controversial debates of our time centers on what foods will lead to slim, healthy lives. Americans have waged national campaigns against fat and carbohydrates, tried every conceivable diet and taken multivitamins in an attempt to satiate our hunger. And yet all our attempts continually fail us, why? Because we've left our brain out of the equation. In THE END OF CRAVING: Recovering the Lost Wisdom of Eating Well, Mark Schatzker explores why Americans crave more but enjoy less compared to other nations, and how we can get back to a more healthful and pleasurable way of eating. Mark joins the program this morning.
