Issues Statement

The issues that are addressed on WLGI-FM (Radio Bahá'í) are identified through ongoing conversations with listeners, meetings with community members, and direction provided by the governing body of the station, the Regional Bahá'í Council of the Southeastern States. Issues that have been identified for the station to address through its programming include:

1. The oneness of humanity:
 - a. Racial equality
 - b. Equality of women and men
 - c. Social justice
2. The nobility of the each individual and their own spiritual and intellectual development
3. The development of spiritual communities based on:
 - a. Unified thought and action to address community needs
 - b. The responsibility of each individual to contribute to an ever advancing civilization
4. Application of science to practical life needs: health, the environment, geography, society, and quality of life
5. Search for peaceful solutions to the challenging issues of the day

Programs

There are three ways that the programming on WLGI strives to address the issues outlined above: music, public service and community announcements, short informational programs, and informational interview programs.

Music - every song with lyrics that is aired on WLGI is selected for the message in the music. These include themes of justice, oneness, reliance on God, patience, generosity, kindness, joy, responsibility, trustworthiness, and service to others. The entire playlist of the station is listed at <https://www.radiobahai.us/on-air/played/>. During this quarter 397 songs were aired a total 32,418 times. 33 new songs were added during the quarter and they aired 4608 times during the period.
